Hi Xolani

Thanks for taking the time to apply for the IT Software Engineer position at MoonPay.

We received a large number of applications and, after carefully reviewing them, unfortunately, we won't be able to invite you to the next round of our hiring process.

Due to the high number of applications, we are unable to provide individual feedback at this early stage. However, we appreciate hearing from you, and we encourage you to apply again at MoonPay in the future.

We wish you all the best in your job search.

Best,

The Talent Team @ MoonPay 🚀
